From Mahor Pergiory.

GUESTION OF PUBLIC DECERCY.

Few sum in the Wood, if washing deep to the method of the control of their fellow citizens than the mouthers of the Chicago Senilary Commission. Since the early days of the war, which developed the porestry of the Gorenneed is uit in recurred. All the property of the Gorenneed is uit in the recurred with the July of the war, which developed the porestry of the Gorenneed is uit in the recurred. All the porestry of the Gorenneed is uit in the porestry of the Gorenneed is uit in the recurred with the July of the war, which developed the porestry of the Gorenneed is uit in the recurred with all the combot of the sick and the care of the wounded, these men have been it work with, read that arrest the and and the demonstrated the importance of the wounded, there were have been in the first of the combot of the sick and the care of the wounded, there were have been in the first of the combot of the sick and the care of the wounded, there were have been in the first of the combot of the sick and the care of the wounded, there were have been in the first of the combot of the sick and the care of the wounded, there were have been the work of the first of the combot of the sick and the care of the work of the first of the combot of the sick and the care of the work of the first of the combot of the sick and the care of the work of the first of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of the sick and the care of the combot of precious thanks of the army follow in their good work. It is not tripolite to the others to single out Mans dury, the President of the Commission, for paid pushes, because he, with generoeity has few purallels has given all his and all his sergies to the success of commission; and because, under his least, it has become that great the fraction by the soldier to the residence of the president and beneficence of specializes are the wender of our

No reply having been received from Secretary Stanton by fir. Hulbert to the communication, he again eathed upon the President, when the latter informed him that the Secretary of War was unwilling to enter into this mat'er of account during the pending of the war, and that he did not feel inclined to oversule the becausery's decision. Arr. Ruibert asked the President to give him his views in writing, which he did in the following works:

hands with the Copperheads, to nake Frank the Speaker. Such an act on the part of these gentlemen would raise a storm of opposition and indignation that would never cease until the Cabinet had a new Post Master, and Missouri a new commander. They are slanderers of the Blair family, who put such malicious and damaging reports afloat; for, whatever the desire of that relationably to raise or ruin, it is a gross error to thus write down the individuals thereof as fools. At the great Deconditional Union and Embedpation Meeting, held at Baltimore, last work, the Union Leagues thread out in immense numbers, accompanied with bands of music and an almost innumerable number of flags, banners, transparencies, and other devicer, all bearing inseriptions expressive of the uncompremising loyalty of those who marched bene th them. Many of the Ward Leaguess were preceded with reagons containing freworks, which were left off along the rosts. Illuminating the sky with their the route, illum nating the sky with the brilliant scintills lone.
